

Intuition For Everyone Workshop Series

This workshop series is designed to teach you specific intuitive skills. We are all innately intuitive and with practice and training we can enhance those natural abilities. Each workshop is four hours in length and includes target exercises to awaken particular intuitive abilities. This series is beneficial as a single course or as a whole. The material presented is based upon the work of Laura Day. Suggested reading includes her book, *How To Rule The World From Your Couch*.

Tuesday, June 20, 2017 4 p.m. - 8 p.m. \$65.

This workshop will focus on the skills of information gathering and mediumship. Gathering information is the ability to obtain flashes of insight that seemingly come out of nowhere. Mediumship is the skill of becoming something or someone else and being able to see the world from that perspective.

Tuesday, July 18, 2017 4 p.m. - 8 p.m. \$65

This workshop will focus on the skills of telepathy, body heat telepathy and remote viewing. Telepathy is the skill of sending and receiving messages and information from a distance without the use of traditional methods of communication. Body heat telepathy is the skill of connecting physically and emotionally with another from a distance. Remote viewing is the ability to perceive a scene when separated by space or time.

Tuesday, August 15, 2017 4 p.m. - 8 p.m. \$65

This workshop will focus on the skills of precognition and healing. Precognition is the ability to move a person or situation forward in time and accurately experience what will happen. Healing is the ability to have an effect on people or situations using the remote transfer of energy.
